Hi Karla,

Thank you so much for the quick response. I didn't realize that HAPs were reported separately, but those reports would be useful.

Thanks again,
Beth

Hello Beth,

Here are the 2012 reports for those facilities. If you are interested in HAPs I can pull the 2011 reports since that was the last National Emissions Inventory year.

Best Regards,
Karla

Subject: Emissions Inventory Reports

Hi Karla,

I am looking for the most recent emissions statement for the Sprague facilities in Searsport and South Portland. Would it be possible for me to get a copy of those reports?

Thank you,
Beth
